

# INDUSTRIAL SERVICES

## Who We Are:

- Zamil Operations and Maintenance Company, Limited (Zamil O&M) was founded in 1977 by the Al Zamil family. It is a Saudi company owned by Zamil Group (95%) and Eastern Industrial Investment Company (5%). We are among the leading providers of operations and maintenance services in the Kingdom of Saudi Arabia and have executed complex operations and maintenance projects for commercial and government clients throughout the Kingdom even in remote and challenging locations.

## How We Work:

- We comply with all applicable occupational health and safety laws and regulations, and set internal standards and requirements as needed.
- We ensure prompt actions are taken to situations endangering employees, clients and the general public due to our activities.
- We ensure continuous improvement in our activities to prevent personal injury and/or property damage.
